HERE'S HOW IT WORKS

*To qualify for the referral bonus, you, as the referring member, must use this referral form. The referred person must bring in your signed referral form, and open a first-time membership with VFCU via a share savings account. They must also open at least one additional account within 60 days of the referral date, and their accounts must remain open for at least 60 days. Bonuses will be awarded to you and the referred member via deposits to share savings accounts within 90 days of the referred member opening a membership, provided all criteria are met, and members and accounts are in good standing. Each member is limited to 10 referral bonuses per month. You must qualify for and establish membership at VFCU and be of legal contract age to apply. All accounts are subject to our normal approval process. VFCU rules and regulations apply. Bonuses are considered interest and will be reported on IRS form 1099-INT. Fees can reduce earnings on the account. This offer is non-transferable and may be canceled without prior notice. We reserve the right to disqualify any referrals in circumstances where we reasonably believe they were not sent to us in good faith. VFCU reserves the right to terminate the program at any time, revise program terms, or refuse bonuses upon our discretion. Ask us for details.

Veritas Federal Credit Union, federally chartered in 1973, is a Federally Insured Credit Union under the authority of The National Credit Union Administration. Shares insured to \$250,000 by the NCUSIF.
